- Graph paper
- Good Spanish/English Dictionary

10th Grade

- TI-84+ or TI-84+Silver calculator (with cables and manual)
- 3 (three) 3-ring binders w/tabbed dividers
- Bible
- Good Spanish/English Dictionary
- GACollege411.org account
- Compass ((The one shown below is made by Helix and costs about \$1.95. In my experience, is perfect for student use. Take this picture with you to the store and match it with the compasses – it is worth the extra effort.)
- Ruler
- Protractor (transparent plastic)
- Optional but highly recommended software
 - The Geometer's Sketchpad (<http://www.keypress.com/sketchpad/>). We will use this a lot in class – having a copy at home would help facilitate homework. The student edition is approx \$40.
